

IRB SOPs Version 4 June 12, 2012 Table of Contents

		SOP Cover Page	1
Intro		Introduction to the Columbia Human Research Protection Program	2
	A	Institutional Leadership	2
	B	Institutional Culture	3
	C	Standard Operating Procedures	4
	1	Development	4
	2	Process for Revising Standard Operating Procedures	4
	D	Requirement for Submissions	5
	E	Definitions of Research and Human Subject	6
	F	Rascal	6
I		Human Research Protection Program	8
	A	Institutional Review Boards and IRB Office	8
	1	IRB Administrative Staff	9
	a	Organization	9
	1)	Administrative Support to Review Panels	9
	2)	Compliance Oversight Team	10
	b	Duties	10
	c	Education and Training	11
	d	Confidentiality and Conflict of Interest	11
	2	Committees within the IRB Office	11
	a	Education and Training Committee	11
	b	Policy Committee	12
	c	Accreditation Committee	12
	d	Rascal Committee	12
	B	Privacy Board	12
	C	Office of Sponsored Projects Administration	13
	D	Clinical Trials Office	13
	1	Research Pharmacy	13
	2	IND/IDE Assistance Program	13
	3	Clinical Trials Monitoring Assistance Program	14
	4	Spanish Translation Center	14
	E	Office of Research Compliance and Training	14
	F	Joint Radiation Safety Committee, Radioactive Drug Research Committee, and the Radiation Safety Office	15
	G	Institutional Biosafety Office	15
	H	Protocol Review and Monitoring Committee	15
	I	Irving Institute for Clinical and Translational Research	16
	J	NYP Pharmacy	16
	K	NYP Patient Services Administration	16
	L	Center for Bioethics	17
	M	Department Chairs, Investigators, and Departmental Administrators	17
II		Institutional Review Boards	18
	A	1 Guiding Principles, Regulations, Statutes, Standards, Policies	18
		2 Structure	18
		3 Scope of Authority	19

IRB SOPs Version 4 June 12, 2012 Table of Contents

4	Autonomy	19
5	Research Conducted by Columbia faculty, employees, and students	19
6	Constitution of the Columbia IRBs	20
a	Membership	21
b	Qualification of Members	21
c	Membership Diversity	22
d	Alternate Members	22
e	Use of Consultants	22
7	Appointments, Terms, and Responsibilities of IRB Chairs, Vice Chairs, and Members	23
a	Chair/Vice Chair	23
1)	Selection and Appointment	23
2)	Length of Term/Service	23
3)	Duties	24
4)	Resignation/Removal	25
5)	Education and Training	25
6)	Liability Coverage for IRB Chairs and Vice Chairs	25
7)	Confidentiality and Conflict of Interest	25
b	IRB Members	26
1)	Selection and Appointment	26
2)	Length of Term/Service	27
3)	Duties	27
4)	Attendance Requirements	27
5)	Removal, Resignation	28
6)	Liability Coverage for IRB Members	28
7)	Education and Training	28
8)	Confidentiality and Conflict of Interest	28
B	The Role of Non-Columbia (External) IRBs in the Columbia HRPP	29
1	Reliance Agreements	29
a	Reliance on a Non-Columbia IRB	30
b	Reliance on a Non-Columbia IRB for a multicenter study, consortium, or study program	31
c	Columbia Serving as IRB of Record for Non-Columbia Entities	32
2	Research Conducted at CU by Investigators Affiliated with Other Institutions	33
III	Preparation of Submissions to the IRB	35
A	Preparation of Event Submissions	35
B	IRB Abbreviated Submission Process	36
1	Industry-sponsored multicenter studies	37
2	Student-initiated research	37
3	Grant-funded research	37
C	Personnel	37
1	Principal Investigators	38
a	Eligibility	38
b	Research and Human Subject Determinations	38
2	Roles and Responsibilities	39
3	Training	39
D	Documents/Information Needed for Each Type of Event	39

IRB SOPs Version 4 June 12, 2012 Table of Contents

	1	Submission materials: New protocol	39
	2	Submission materials: Modification	41
	3	Submission materials: Renewal (Continuing Review)	42
	4	Submission materials: Report of unanticipated problems involving risks to subjects or others	44
	5	Submission materials: Termination (Closure)	45
	6	Submission materials: Report of Protocol Deviation or Violation	46
	7	Submission materials: Emergency Use Report	47
E		Material Needed for Review of Particular Types of Research or Situations	48
	1	Submission materials: Drug research	48
	2	Submission materials: Research with Biologics	49
	3	Submission materials: Device research	50
	4	Submission materials: Planned emergency research	52
	5	Submission materials: Research involving pregnant women, fetuses, and neonates	54
	6	Submission materials: Research involving prisoners	54
	7	Submission materials: Research involving children	55
	8	Submission materials: Research involving other vulnerable adults	56
	9	Submission materials: Research involving non-English speaking individuals	56
	10	Submission materials: Research involving students or employees as subjects	57
	11	Submission materials: International research	58
	12	Submission materials: Substudies	59
	13	Submission materials: Collaborative research that will not be conducted under an IRB Authorization Agreement	60
	14	Submission materials: Collaborative Research that will be conducted under IRB Authorization Agreements	61
	15	Submission materials: Domestic research conducted at non-CU sites	62
	16	Submission Materials: Research Conducted at External Sites by CU Researcher	62
	17	Submission Materials: Transfer of Research when PI is leaving Columbia	63
IV		Processing of Submissions to the IRB: Pre- and Post-IRB or ARC Review	65
A		Preliminary review of submitted events	65
B		Routing of submissions to IRB per level of review required	65
	1	Level of Review: Not Human Subjects Research	66
	2	Level of Review: Exempt determination	67
	3	Level of Review: Expedited	68
	4	Level of Review: Facilitative/Administrative/118	70
	a	Facilitative review	70
	b	Administrative review	71
	c	"118" reviews	71
	5	Level of Review: Full Board	72
C		Primary Reviewer system	72
	1	Primary reviewer system: Initial review	72
	2	Primary reviewer system: Continuing review (renewal)	73
	3	Primary reviewer system: Modifications, Unanticipated Problem reports	74
	4	Primary reviewer system: Terminations (closures)	75
D		Post-Review Procedures	75
E		Notification to Researcher: General Process	75

IRB SOPs Version 4 June 12, 2012 Table of Contents

	1	Notification: Approval and Outcome of Review	76
	2	Notification: Disapproval	77
	3	Notification: Suspension	78
F		Documentation of review and approval	78
V		IRB Pre-review and Review Criteria	80
A		Pre-review of Submitted Events	81
	1	Pre-review: New Protocols	81
	2	Pre-review: Renewals (Continuing Review)	82
	3	Pre-review: Modifications	83
	4	Pre-review: Unanticipated Problem Reports	84
	5	Pre-review: Termination (Closure) Requests	84
B		IRB Criteria for Review	85
	1	Risks to Subjects are Minimized (applies the principle of beneficence)	86
	2	Risk/Benefit Ratio is Acceptable (applies the principle of beneficence)	87
	3	Selection of Subjects is Equitable (applies the principle of justice)	88
	4	Informed Consent Process is Appropriate (applies the principle of autonomy)	88
	a	Special Consent Situations	90
	1)	Consent from Non-English Speaking Subjects	90
	2)	Consent for Audio- and Video Recording	91
	3)	Consent for Live Case Procedures	91
	4)	Same Day Consent for Elective Procedures	92
	5)	Consent from Women in Labor	92
	6)	Enrolling Illiterate Subjects	92
	7)	Enrolling Individuals with Physical Limitations Related to Writing	93
	8)	Obtaining Consent for Future Use of Specimens	93
	9)	Obtaining Consent for Future Contact for Research	93
	b	Waiver of Some or All of the Elements of Informed Consent	94
	5	Documentation of Informed Consent is Appropriate (applies the principle of autonomy)	95
	a	Waiver of Written Documentation of Consent	95
	6	Data and Safety will be Monitored (applies the principle of beneficence)	96
	7	Privacy and Confidentiality will be Protected (applies the principle of beneficence)	98
	8	Recruitment Methods and Advertising Material are Appropriate (applies the principles of autonomy and justice)	99
	9	Additional Protections are in Place for Vulnerable Subjects (applies the principle of beneficence)	101
	10	Potential Conflict of Interest of Investigators is Eliminated, Mitigated or Managed	102
VI		IRB Review of Specific Events, Types of Research, and Types of Documents	105
A		IRB Review of Specific Events	105
	1	Initial Review (Review of a New Protocol)	105
	2	Review of Modifications	106
	3	Review of Reports of Unanticipated Problems Involving Risks to Subjects or Others	107
	4	Review of Reports of Protocol Deviations or Violations	108
	a	Examples of major protocol violations:	108
	b	Examples of minor protocol violations	109
	5	Review of Emergency Use Requests	109

IRB SOPs Version 4 June 12, 2012 Table of Contents

	a	Initial Notification to the IRB	110
	b	Consent Requirements for Emergency Use of a Test Article	110
	c	Documentation Required	111
6		Facilitative Review	112
7		Continuing Review (Renewal)	112
	a	Continuation Past Expiration of IRB Approval	115
	b	Procedures for Determining Which Projects Require Review More Often Than Annually	115
8		Review of Termination (Closure) Requests	116
9		Suspension and IRB-initiated For-cause Termination of Research	116
B		Review of Specific Types of Research	118
1		Review of Research involving Investigational Drugs	118
2		Review of Research involving Medical Devices	118
3		Review of Humanitarian Use Devices	121
4		Review of Research involving Pregnant Women, Neonates, and Fetuses (45 CFR 46, Subpart B)	122
5		Review of Research involving Prisoners (45 CFR 46, Subpart C)	124
6		Review of Research involving Children (45 CFR 46, Subpart D)	125
	a	Determination of Risk/Benefit Category	126
	b	Assent Determination	129
	c	Inclusion of Wards in Research	129
7		Review of Research involving Other Vulnerable Adults	130
8		Review of Research involving Non-English Speaking Subjects	131
9		Review of Research involving International Sites	131
10		Review of Planned Emergency Research	135
	a	Emergency Research Consent Waiver	136
11		Review of Research that involves Human Embryonic Stem Cells	139
12		Review of Research Conducted by Students	139
C		Review of Specific Types of Documents	139
1		Review of Recruitment Material	139
2		Review of Funding Documentation	142
3		Review of Investigational Drug Brochure	142
4		Review of Payments to Participants	142
VII		IRB Convened Meetings: Organization and Management	144
A		Schedule of Meetings	144
B		Agenda Preparation	144
C		Primary Reviewer Assignments	144
D		Voting Requirements	144
E		Minutes	145
1		Recording of Minutes at the Convened Meeting	145
2		Board Approval of Minutes	147
3		Notification of IRB Action	147
4		Appeal of IRB Decision	147
VIII		Record Retention and Documentation	148
A		Records Maintained	148

IRB SOPs Version 4 June 12, 2012 Table of Contents

	B	IRB Files	149
	C	Record Retention Term	149
	1	Research Records	149
	2	IRB Records	150
	D	Procedures if PI Leaves Columbia	150
	E	Confidentiality of Records	151
	F	Inspection of Records	151
	G	Off-site Storage of IRB Files	151
IX		Oversight Monitoring	152
	A	Renewal (Continuing Review)	152
	B	Review of Unanticipated Problems Involving Risks to Subjects or Others (including Adverse Events)	153
	C	Data and Safety Monitoring	153
	D	Reviews or Monitoring by the Research Pharmacy, Radiation Safety Committees, or Institutional Biosafety Committee	153
	E	Reviews by Research Administration Offices	154
	F	Compliance Oversight	154
X		Education and Training	157
	A	Research Community	157
	B	Board Members and Chairs	157
	C	Administrative Staff	158
	D	Researchers	159
XI		Quality Assurance and Improvement	161
	A	Assessment and Improvement Initiatives of Internal Processes	161
	B	Assessment and Improvement of External Processes	162
XII		Subject Outreach	163
	A	Information for Potential Subjects	163
	B	Information from Research Subjects and the Community	163
	C	Compliance Hotline	164
App.	I	Abbreviations and Terms Used in Columbia University IRB Standard Operating Procedures 2012	165
	A	Alphabetical Order	165
	B	In Order of Appearance	167
	II	Referenced Regulations, Laws, Standards	171
