DESCRIPTION: Correspondence, manuscripts, subject files and printed materials of Anatolii P. Vel'min (1883-1967). Vel'min was a lawyer in Poland during the 1930's and then emigrated to France where he became the representative in France of Columbia's Russian archive. The correspondence includes letters from Mark Aldanov, Mikhail Karpovich, Ekaterina Kuskova, Vasilii Maklakov, Mikhail Taube, and Mark Weinbaum. Most of the manuscripts are by Vel'min himself and concern the Russian emigration in Poland, the 1917 Revolution and Civil War, and German concentration camps during World War II. The collection likewise contains Vel'min's diary (handwritten in eleven volumes) covering the 1900-1960 period. There are subject files devoted to Vasilii Maklakov and to the activities of the Russian scouts, and there are numerous publications, such as journals, pamphlets, clippings and books.
