USE

FLORIGENE

(A Registered Name
suggested by
FLOOR-HYGIENE.)

In Schools—Very EARLY in EACH VACATION for best results.

It is IMPORTANT TO NOTE that ONE APPLICATION of "Florigene" ALLAYS the DUST and DIRT for 2 to 12 months, according to traffic, not only during each Sweeping (without sprinkling of any kind) but also throughout all the intervening periods—which is even of greater hygienic importance.

It costs little, is easily applied, and is not sticky—the ordinary daily dry sweeping alone required to clean.

Send for particulars, Medical Reports, and Testimonials, to the Sole Manufacturers—
